"It's about people special to us and remembering them at this special time..."

People in Tynedale are being invited to attend a special festive service to remember those they have lost.

Light up a Life services this year mark their 25th anniversary and will be held by hospices across the country. The poignant event includes a ceremonial lighting of candles followed by a short, emotional period of silent reflection.

The Tynedale event, organised by Tynedale Hospice at Home, will take place at St Mary's Church in Hexham on December 4 at 3pm.

Covid-19 precautions mean that numbers are limited by social distancing measures, with attendees needing to book in advance. Family groups will be able to sit together and, for those who can't attend, the service will also be streamed live.

A while ago, **Northumberland County Council** declared the goal of becoming carbon neutral by 2030. Here's some information, via the **Parish Council**, about two ways you can get involved in the county's projects and do your bit to contribute to the goal:

Community Climate Champion programme - Anyone with a keen interest in climate change and the environment can apply to become a Community Climate Champion, regardless of whether you're already part of a community group or working alone.

Some of the benefits include:

- Training in climate change awareness, project management, and marketing and communications
- Accessing and contributing to our Northumberland Net Zero resource hub
- Submitting your own local action plan to contribute to Northumberland's wider goals to tackle climate change
- Support from the Council workforce
- Networking events with other likeminded people from across the county.

CHAIR YOGA TASTER SESSIONS

Hello, I'm Dharma, a Yoga & Mindfulness Teacher living in Wallridge, currently running yoga classes in the Northumberland area – including a Gentle Yoga class at Stamfordham Village Hall.

I am fully qualified with many years' experience delivering a range of training and adult education. I am also a certified Accessible Yoga Teacher.

I will be setting up a Chair Yoga class at the village hall in January and just thought it might be nice to write a little piece for the Communicator on what yoga is and what chair yoga is.

WHAT IS YOGA AND WHAT IS CHAIR YOGA?

The NHS website describes Yoga as 'an ancient form of exercise that focuses on strength, flexibility and breathing to boost physical and mental wellbeing' ([A guide to yoga - NHS \(www.nhs.uk\)](http://www.nhs.uk)). It's a wonderful, gentle way to exercise our bodies as well as calm the mind and offer relief from the tension and stress of everyday life.

Chair Yoga is simply yoga that we practice either on a chair or using a chair as a prop.

Using a chair makes this wonderfully beneficial practice accessible to many more people – including many older people and those with health concerns or disabilities.

Each session will include a guided meditation and relaxation to ensure participants leave feeling refreshed and rejuvenated.

WHAT DO WE NEED TO PRACTICE CHAIR YOGA?

We will be using the chairs at the village hall.

A blanket can act as extra padding as well as keeping you warm during relaxation.

A bottle of water can keep you nice and hydrated during practice.

WHAT NEXT?

E-mail yogawithdharma@gmail.com or call/ text 07971 382623 for further details on the class (when it's running, cost etc).

More details about me, my qualifications and experience at my website: <http://yogawithdharma.com>

Thank you,
Dharma

Stamfordham Karate Club

Stamfordham Karate Club is really vibrant and has gone from strength to strength over the years since starting in 2005. Over that time Steve, the 5th Dan Sensei, has taken many of our local children through their paces with quite a few of them earning their black belts (Dan grade). Our most recent success was Robbie Laing achieving his 2nd Dan black belt.... there is another black belt grading taking place in Stamfordham in November, Steve has high hopes for more successful candidates.

At the moment Steve has a core of around 20 students attending each Wednesday evening. The classes are open to anyone and everyone, regardless of ability or age.

The classes are very friendly and very family focused, Steve even has a few mums and dads training alongside their kids. There are also a lot of brothers and sisters training together - there's nothing quite like sibling rivalry to encourage progress! Currently Steve's youngest student is 6 years old and his oldest are in their 70s.

As always Steve is looking out for new students (5+ years) to join his classes. Don't be shy and don't worry that you might not fit in. Steve prides himself on his inclusivity and ability to encourage all students to achieve their maximum potential. If you want more detail or just to chat about the possibilities give Steve a call on 07456 657308.

The classes cost £7 per session and run on Wednesday evenings from 6.30pm to 7.30pm for all students. There is a further class from 7.30pm to 8.30pm for Adults (16+) and senior grades to train.

For more details on Seiken Ryu Karate Association please see the following website www.seikenryu.co.uk. This will give information on our instructors, syllabus, other training locations and times.

Why not give karate a try, it's great for your confidence, great for your fitness and how cool would you feel if you got to be a black belt?

PLEASE HELP TO KEEP YOUR VILLAGE HALL

Stamfordham Playing Field & Village Hall charity owns the Village Hall, Playing Field and Sports Pavilion and is run by a small committee of trustees who volunteer to give some of their spare time to do what is possible with limited resources and they are asking for **your help**.

A FEW THINGS YOU MAY NOT KNOW

- * The Village Hall is an old building costing, on average, £1,000 per month to run (electricity, insurance, oil, essential maintenance, minor repairs, cleaning etc). There are further costs associated with the Sports Pavilion and Playing Field too.
- * The Charity which is responsible for these **Village Facilities** only receives income from **kind donations, fund raising activities, being hired for use by the local community and the generosity of trusts/ organisations to whom we can apply for grants**.
- * Urgent and essential repairs continue to be needed at the Village Hall. We have achieved a great deal in the past few years but there is always more to do.
- * The new sports pavilion will not always be NEW and we have to put money aside for future maintenance work.
- * Some of the Village Hall facilities need bringing up to date (curtains/blinds, re-decoration, lighting repairs, carpets, kitchens updated, etc.)

By **donating** to Stamfordham Playing Fields & Village Hall (Charity No. 502613) through the **Covenant Scheme** you could help fund the essential works to the Village Hall and ensure it continues to be there **for your generation and the next**. If you haven't done so already, please consider signing up and, if you are a taxpayer, please complete a Gift Aid declaration. This allows the charity to reclaim 25% tax on your donation making every £10 you donate worth £12.50.

How can you help fund the work needed both now and in the future?

It would be great if you hired the Village Hall or Sports Pavilion for any events like **birthday parties, family gatherings, wedding receptions, business meetings**, etc. Contact us at stamfordhamhall@gmail.com or via the website, www.stamfordhamvillagehall.co.uk

It would also be great if you could get along to **SUPPORT** any of the **fundraising activities** that take place from time to time – even better if you would like to organise one yourself !!! Details of fundraising events, either at the Village Hall or at the Pavilion/Playing Fields, are usually in the **Stamfordham Communicator**, on the **Stamfordham Matters Facebook** page and on www.stamfordhamvillagehall.co.uk

If you would like to join the Covenant Scheme and **set up a new Standing Order** please email our committee secretary, Sue Noble (stamfordhamsecretary@gmail.com), who will be happy to reply to your email with a Standing Order Form and a Gift Aid Declaration, if you need one.

Once completed the **Standing Order form** should be emailed back to Sue or delivered to the Treasurer, Edward Trevelyan, at Low Cross House, 14 South Side.

The **Standing Order form** gives you details of the bank account for the Stamfordham Playing Fields & Village Hall charity so if you would prefer to set up your **Standing Order using Online Banking** please use your surname as a reference when completing with your bank online.

You should still **complete the form** and write '**Already Set Up Online**' and deliver it to the Treasurer, Edward Trevelyan, at Low Cross House, 14 South Side (or, if returned to Sue via email, please mention 'Already Set Up Online' in the email it is attached to).

Equally, a **one-off donation** from time to time would be most welcome.

Stamfordham Playing Field & Village Hall is a **charity** and, if you are a **taxpayer**, everything you donate will be worth 25% more if you complete a **Gift Aid Declaration form**. This form should be returned to either Sue or Edward, as above, in order that it can be recorded and sent to HMRC.

Thank you on behalf of all the trustees.

Communities encouraged to mark Queen's Platinum Jubilee with special events

A Queen's Jubilee Events fund will be launched by Northumberland County Council to help communities celebrate the historic occasion during 2022.

The Queen will be the first British Monarch to celebrate a Platinum Jubilee, and to mark her achievement communities in Northumberland are being encouraged to host their own celebrations.

The national programme of celebrations will focus on the Jubilee weekend of June 2-5, which includes an additional bank holiday to mark the occasion. As part of the celebrations 1,500 Platinum Jubilee Beacons will be lit across the country and one in each capital of the Commonwealth. A number of iconic locations have been identified by the Palace however communities and organisations are also being encouraged to light their own beacon on June 2. A guide to taking part can be found at <https://www.queensjubileebeacons.com/guide>

A £70k small grant fund has been allocated by the council and communities will be able to apply for a grant to help with their local events. Grant criteria and details of the application process will be released shortly.

A temporary event co-ordinator role will also be supported by the council to work with communities to develop their events.

There will be a year-long programme of events taking place around the UK, the Commonwealth and around the World to celebrate the historic milestone. The Bank Holiday weekend will provide an opportunity for communities and people throughout the UK to come together to mark The Queen's 70-year reign. Across the four days the celebrations will include public events and community activities, as well as national moments of reflections on The Queen's 70 years of service.

Communities are encouraged to get involved in The Big Lunch event on the Sunday of the Bank Holiday weekend. Every year since the idea began in 2009 The Big Lunch has encouraged communities to celebrate their connections and get to know each other a little bit better, coming together in a spirit of fun and friendship. In 2022 The Big Lunch will bring the Jubilee celebrations into the heart of every community. People are invited to share friendship, food and fun with neighbours as part of the Platinum Jubilee celebrations. A Big Jubilee Lunch can be big or small - street party or picnic, tea and cake or a garden barbeque.

Cllr Glen Sanderson, Leader of Northumberland County Council said: "Her Majesty, The Queen is a true inspiration to us all. Her achievements and strength throughout her 70-year reign are something which we can all celebrate. At a time when things have been difficult for us all, I hope that The Queen's Jubilee will be an opportunity for communities to come together and mark this historic occasion."

Cabinet member for culture, Cllr Jeff Watson, said: "We want to bring back the spirit of The Queen's coronation when communities celebrated together with street parties and community events. We would encourage all our communities to start thinking about what type of events they could host so we can showcase Northumberland to the world."

To find out more about the Jubilee and how you can get involved go to <https://platinumjubilee.gov.uk/>

Website launched to help kickstart careers in Northumberland

A new website has been launched to help those in Northumberland looking to learn, discover and grow their careers.

The new Northumberland Skills website aims to help those aged 16 to 18, 19 plus and those looking at apprenticeships.

Delivering on behalf of Northumberland County Council, Northumberland Skills (formerly the Learning & Skills service) offers full and part-time courses giving everyone a chance to kick-start their future career.

Councillor Guy Renner-Thompson, Cabinet Member with responsibility for Children's Services, said: "Every resident in Northumberland should have the opportunity to access learning that will help them develop themselves, their professional abilities and gain the confidence to get into a career they enjoy.

"Northumberland Skills offers our residents just that through a range of courses, so whether you have just left school or are looking to embark on a new career, I encourage you to take a look at the new website and get in touch with the team."

Take the journey through the website to find a course you are interested in. Whether you are interested in business, management, arts, catering, construction, engineering, education, gardening or health and beauty, there is something for everyone.

Courses are available across nine locations in the county, ensuring learners do not have to travel far to access their learning.

If face-to-face learning isn't right for you right now Northumberland Skills blended approach offers a range of online courses for you to learn from wherever you are.

Cath McEvoy-Carr, Executive Director for Adult Social Care and Children's Services, said: "We are extremely proud of the offer that Northumberland Skills brings to our residents.

"Our dedicated team of lecturers have made available courses at a range of entry points to ensure that the level of study is best suited to the learner's abilities and career aspirations, and great thought has been given to course locations ensuring everyone can access them in one way or another."

Get advice from our dedicated Northumberland Skills team who are on hand to ensure you are heading in the right direction and to support you to realise your potential.

With hands-on and digital learning our courses have been designed to keep you safe as you gain essential skills to stand out in life and work.

Studying a full or part-time course with Northumberland Skills means you will gain more than just a qualification. You'll adopt skills for life and work, as well as the confidence to succeed in your next steps.

Start your journey today. Head to www.northumberlandskills.co.uk

Are you living with sight difficulties and finding it hard to read the local newspaper? Perhaps you know a relative or friend who is visually impaired who might enjoy listening to local news?

The Tynedale Talking Newspaper (TTN) sends out a free audio recording of local news each week, courtesy of the Hexham Courant. Every month there is also a new recording of The Tynedale Talking Magazine or The Northumbrian.

Recordings arrive by post on a USB memory stick which can be listened to on a computer or Smart TV. No computer? No problem. TTN also has easy-to-use audio players to loan out to people who are not on the internet.

To find out more please contact Ed, the Registrar, on 07400 096937 or www.ttnweb.uk or check out Facebook.

TTN is a charity (1034087) run entirely by local volunteers, helping people to stay connected and feel part of the community.
