Community Speedwatch Scheme

Community Speedwatch (CSW) is a national initiative which plays a vital role in helping to reduce speeding vehicles. The scheme aims to educate drivers on the importance of road safety and make motorists aware that the community won't tolerate speeding. It's about taking positive action, with local people working together with Northumbria Police to improve the safety and quality of life for everyone in the area.

We are looking for volunteers to register their interest in joining our CSW schemes across the force area. If you're a local resident concerned about speeding issues in your area, this is your opportunity to make a difference!

As a CSW volunteer, you'll deploy on 20mph or 30mph roads identified by yourselves, the police, and police partners where speeding is perceived to be an issue. You may also get the chance to participate in organised Speed Operations! You'll receive training in the use of handheld speed detection equipment, data recording and protection, and roadside health and safety.

We ask that you volunteer a minimum of two hours per month if you are able, however we would encourage you to offer your time only as and when is suitable. We do ask that you volunteer in groups of two to four, during daylight hours only and in safe weather conditions.

If you are concerned about speeding in your area, then please register your interest for our next course to become a Community Speedwatch Volunteer!

Next Steps –

We'll ask you to complete a short registration form which will enable us to get in touch via email once the next intake is open for applications. Please be aware that intakes run twice yearly, therefore there may be a wait time before we are in touch.

If you would like more information regarding the scheme, please contact:

Fleeting Rumours night

I have to say a big thank you to all those that bought tickets and came along to what was a fantastic night of live music.

To have a band of Fleeting Rumours calibre playing in our village hall is something a little special. It was about a year from initial idea and contact with the band to the actual night.

We raised money for the annual fireworks display and for the village hall.

Thanks to the village hall committee for working with us and allowing us to put events like this on, and Collingwood marquees for stage equipment and the tall tables. Once again helping us out.

Scotts catering and hog roast for providing the food and bar equipment

Tom Henderson for helping on the night with various jobs, Chris Ling for delivering the flyers, setting up and **clearing up**.

Fireworks will be on Saturday 8th November.

Next event in the hall will be a comedy night, date to be confirmed

NHS App & Online Access

The NHS App is a secure way for patients to **manage their healthcare online**. It allows users to :

- **Book GP appointments** and manage existing bookings
- **Order repeat prescriptions** and check medical history
- **Access medical records**, including test results and immunisation history
- **Use NHS 111 online** for health advice and triage
- **Register organ donation preferences** and access health advice

Patients can also access **GP online services** via their practice's website, enabling them to:

- Book and cancel appointments
- View their medical records
- Order prescriptions without needing to visit the practice

These services provide patients with greater control over their healthcare, improving convenience and efficiency in accessing primary care.
