Community Speedwatch Scheme

Community Speedwatch (CSW) is a national initiative which plays a vital role in helping to reduce speeding vehicles. The scheme aims to educate drivers on the importance of road safety and make motorists aware that the community won't tolerate speeding. It's about taking positive action, with local people working together with Northumbria Police to improve the safety and quality of life for everyone in the area.

We are looking for volunteers to register their interest in joining our CSW schemes across the force area. If you're a local resident concerned about speeding issues in your area, this is your opportunity to make a difference!

As a CSW volunteer, you'll deploy on 20mph or 30mph roads identified by yourselves, the police, and police partners where speeding is perceived to be an issue. You may also get the chance to participate in organised Speed Operations! You'll receive training in the use of handheld speed detection equipment, data recording and protection, and roadside health and safety.

We ask that you volunteer a minimum of two hours per month if you are able, however we would encourage you to offer your time only as and when is suitable. We do ask that you volunteer in groups of two to four, during daylight hours only and in safe weather conditions.

If you are concerned about speeding in your area, then please register your interest for our next course to become a Community Speedwatch Volunteer!

Next Steps –

We'll ask you to complete a short registration form which will enable us to get in touch via email once the next intake is open for applications. Please be aware that intakes run twice yearly, therefore there may be a wait time before we are in touch.

If you would like more information regarding the scheme, please contact:

STAMFORDHAM CLASSIC AND SPORTS CAR SHOW 2025

The annual village car show takes place again this August bank holiday Monday - raising much needed funds for Stamfordham Primary School, St Mary's Church, and Stamfordham Village Hall and Playing Field charities. All are welcome - it's at the playing fields on Monday 25th August from 1-4pm!

Volunteers wanted! Can you spare some time on Monday 25th August, to help with the car show?

The event supports three village charities - and is 100% run by volunteers. If you can spare even just an hour on the day, it would help the organisers greatly

No prior car show experience necessary! Marshalling cars is the main effort, but any help serving teas in the pavilion would also be welcome.

A performance related bonus (hot drink and a bacon roll!) is guaranteed.

Please drop an email to stamsports@gmail.com - thanks!
