

BARNWELL PARISH COUNCIL

WEEKLY NEWS UPDATE

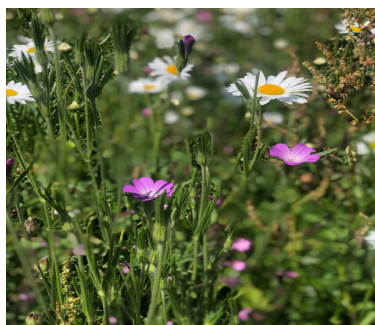

19 JUNE 2022

The Recreation field meadow is looking at its best at the moment with the new wild flowers attracting local wildlife - do go and take a look if you have not visited before.

A cherry tree has come down on the bank of the chancel. It is likely other trees on the bank may also be vulnerable so please be careful in this area. It is not owned or managed by the Parish Council but we have notified those concerned and had a kind offer to remove it.

A small number of Neighbourhood Watch signs have now been added in the village.

The number of pot holes that need repair has been logged with Northamptonshire Highways and been added to their works plan over the coming months for repair. In addition the side of the road has broken away below Castle View and has been reported. Updates on the [fixmystreet](http://fixmystreet.com) website.

PLANNING APPLICATIONS

Local Planning Applications that we have been notified of which may be of interest include:
