Councillor Hinstridge had related to the Members that she would seek clarification and additional information on the matter from Mr. Steve Jones, Chief Officer, Streetscene and Transportation of Flintshire County Council. With respect to this Councillor Hinstridge had been in contact with Mr. Derrick Charlton, Flintshire County Council, and as such she was awaiting a detailed report on the matter.

Councillor Kevin Hughes' related to the Members that the school was now on holiday and that the children's leaving service had been well attended; Councillor Hughes stated that it had been a lovely afternoon for everyone. The next meeting of the Governors will be scheduled shortly and there are still concerns regarding the promotion and marketing of the school in general. The number of new pupils likely to come to the school in the new term are low, however it is hoped that by actively promoting and marketing the school this issue will be resolved. Councillor Hughes also informed the Members that the school is working closely with Nercwys and Gwernaffield CP Schools in related activities.

Councillor Nancy Matthews informed the Members that the Gwernymynydd School had received good inspection reports and that this would go a long way towards helping to promote the school in the locality.

Councillor Nancy Matthews stated she would pursue the matter with the County Council and obtain an explanation from the respective Housing Officers.
