

It is with great pleasure that we welcome on to our Committee Mrs. M. Eaton of Coed-yr-Allt, Gwernymynydd and Mr. R. M. Morris of 2 Bleanwern, Gwernymynydd.

The talk, on 27th. November, was given by Detective Sargeant Ablett and included some very interesting colour slides. Mr. Ablett gave a very interesting talk and as well as being very humorous was very informative, the subject being crime prevention. If these talks keep to this standard, the people who do not come along to listen are really missing a very enjoyable, different, evening. The next talk will be at the beginning of January

PLAYGROUPE NEWS. The Playgroup Committee wish to thank all those who donated articles towards the Charity Stall Sale on 23rd. November. This sale raised £50 towards Playgroup funds and is the best effort yet. I can also report that at a meeting of the Gwernymynydd Horse Show and Gymkhana Committee on the 19th. November it was unanimously decided to donate £100 to the Playgroup to help with the building.

As many of you will know, we have started to erect the building. There is still quite a lot to do, such as the plumbing and the rewiring, relining the interior with plasterboard, and painting. Outside the roof felt has to be put on and the exterior painted, paths have to be laid and the area tidied up. The voluntary help of local craftsmen would be very much appreciated. If anyone is willing to offer their services and advice please contact MOLD 4480 - Mrs. Watts (Chairman) or MOLD 2775 - Mrs. Shone (Secretary).

YOUTH CLUB NEWS. The bonfire was a great success in spite of the damp weather. The bonfire itself was enormous and the fireworks were very good. In the Best Dressed Guy competition the judges where MR. & MRS. HARRY ANDERSON and Councillor GWILYM ROBERTS, and they picked as winner Lynne Robinson of Gwernymynydd, with Richard and Andrew Thacker of Mold second and Jaqueline Dixon of Gwernymynydd third.

Youth Club member 18 year old Graham Davies is to be presented with the Trophy for outstanding services during 1974. CONGRATULATIONS to you Graham. This is to become an annual event organisee by Youth Club Management.

BIRDS. (The feathered variety.) Congratulations to D. Squires and Partner, of 8 Maes-y-wern who created a record in the Homing Pigeon Society in the Mold area by clocking-in two pigeons, 1st. and 2nd., within six minutes of each other, in a 500 mile race from France. At a Dinner Dance in St. Asaph they where presented with a silver cup and a cheque for this achievement. They also received another cup for another younger bird in a shorter race.

COUNCIL NEWS. As you may remember in our first issue we reported that we hoped that the Community Councillors would furnish us with information as to the activities of the Community Council. Mr. Hughes wrote to us and mentioned that he had brought up the following points at the last Council meeting.

1. Following on from the pollution problem mentioned in our last issue regarding Carbon Waste, Mr. Hughes is endeavouring to obtain copies of the Rules relating to tipping in the Cambrian Quarry in order to keep a watch on this tipping.
2. Requested the completion of the two seats on Hoel-y-wern and the supply of two more seats in the playarea between Hoel-y-wern and Ger-y-llan.
3. The danger of turning right from the main road into Hoel-y-wern is to be reported to the County Surveyor and the Road Safety Office.

Bus stop. Following the site meeting the area was deemed unsuitable to both the Police and the County Surveyor for future use as a pull-in as a bus stop.

Telephone box. It is with much regret that we have to report that the repositioning of this kiosk is not now to take place. The Community Council has expressed its opinion that the kiosk gives better service to the whole of the community in its present location. It is a great pity

cont. that this opinion was not made known before the expense and work of preparing the new site was carried out. (More wasted money on the rates??)

SENIOR CITIZENS. The Senior Citizens Social Committee are endeavouring to arrange a social function on April 5th. at the Gwernymynydd School. If you would like any further information on this please contact Mrs. A. Smith of Fron Hall, telephone MOLD 3968.

FLOWERS. While planting daffodil bulbs at Loggerheads, Youth Club members where filmed for an H. T. V. Childrens programme called 'Miri Mawr'. We understand that this has already been shown.

We need more bulbs - Will anyone donate some?

We need more helpers to plant them - Will anyone volunteer?

We need masses of Foxglove plantlets - Will anyone find them and transplant them?

If you can answer YES to any of these questions please contact Mr. Charles Quant of Silverwood, Gwernymynydd.
