

GWERNYMYNYDD COMMUNITY ASSOCIATION NEWSLETTER.

Christmas and the New Year celebrations are over now and we hope that you all had an enjoyable time. As everyone settles down to 1975, a hard year if one listens to the 'prophets'!!!, we hope to arrange a number of talks and events which we hope will help to brighten up the year. If anyone has any ideas of any particular talks or events please let us know your ideas.

COUNCIL NEWS. Road Crossing. Because of the increasing child population of the Village it is reported that the County Surveyor is again looking at the possibility of providing a footbridge across the Main Road.

Playground Equipment. Mold Rural Council have written saying that it is the Delyn Council who provide playground equipment and WE should write to them. They also say that, in the past when local residents have wanted such equipment, the people have raised the money themselves and the former Parish Councils have usually made a contribution to such funds. In similar circumstances the Mold Rural Council would consider applications for help.

One would have thought that the Mold Rural Community Council, being the first tier of local government, should pursue these matters on behalf of the Village, instead of trying to brush us aside.

YOUTH CLUB. In our last newsletter we mentioned that Graham Davies was to be presented with a trophy for outstanding services. We are now pleased to report that Graham received a congratulatory letter from Sir Anthony Meyer. He praised Graham and the Youth Club for their willingness to give up their spare time for the good of the Community.

On the 2nd January a party from the Club visited the County Archivist. A very interesting exchange of information was undertaken with the Youth Club handing over their Scrap Books to be held in the Archives.

PLAYGROUPE. The following letter has been received :

Dear Madam,

At the last branch meeting of the Gwernymynydd W.W.W.B.B.U. (Wood Worm and Wood Boring Beasties Union) it was brought to our attention that there where rumours being spread that we where settling 'en masse' in your new building. I wish, on behalf of my comrades and myself to deny this. Moreover a proposal was carried that, because of the tremendous voluntary effort involved by you humans, we would declare the said building 'Off Limits'. It is with regret that I must admit our Union is still not a closed-shop and a few renegades and blacklegs might have settled there, and for these wayward brothers we must apologise and would advise you to contact our enemies - Rentokil - or similar firm and take the ne necessary precautions, for we cannot, in the foreseeable future, guarantee our Union being a 'Closed-Shop'.

Yours sincerely,

D.W.Beetle. Branch Secretary

WWWBBU.

P.S. Wewill still attack everywhere else if we can.

Work came to a virtual standstill over the Christmas fortnight but as many of you know the main structure is now up and the insides will be started on soon, as well as the footpaths.

FLOWERS. There has been a response to Mr. Charles Quant 8s appeal for bulbs, Foxglove plantlets and voluntary help. We would like to say that this is a very worthwhile endeavour and I am sure that Mr. Quant will still accept any offerings.

The following two couples from the Youth Club are to be married soon: Glyn Hughes and Ann Morris on the 25th. January. Selwyn Williams and Susan Pascoe, sometime in February.
