

The dance that was held on the 14th. February was a successful event, enjoyed, I hope, by everyone who attended. This has ensured the continuance of this newsletter for another few months and also ensures that we can keep the price of the next Dance tickets the same. This Dance being the Gymkhana Dance on July 12th.

On the 5th. February Mr. D.O.M.-Jones gave a very interesting lecture on his department, the Health and Housing Department of the Delyn Council.

We received a letter from Crosville, or as we should now call them, National, giving their answer to three queries we had been asked to put to them. There is no possibility of the morning bus taking the school children all the way to the school as it seems that they need this particular vehicle to leave Mold at 0845 for Chester. They also make it quite clear that they would be delighted to stop at a bus shelter if it were put in a different place, but of course it is not them but the local authority who are responsible for bus shelters. The other item was a request to increase the local service which of course was refused. The letter was finish off with the comment that as from 1st. April, bus services will become the responsibility of the Clwyd County Council.

Council News. The only item here is a letter from the County Council regarding the morning school bus and more or less saying what the bus company had already said. They do say that the problem will be looked into in when their transport survey is completed.

Discussions have been held with representatives of the Borough Council with regard to facilities, or should we say lack of facilities, in the village. The various points raised are now being looked into by them and we hope to let you know the outcome in due course. These meetings have been arranged solely with the help of Councillor Gwilym Roberts.

It is with much regret that we have to report that we have had no news to pass on to the village from our Community Councillors.

Youth Club.

Krazy Sports A sample of the programme is "The Gwernymynydd Grand National" (human horses), Fancy Dress Football, (clothes provided), "Chuck-a-Shoe" contest, "Human Hurdles", Krazy Cricket, Sideshows, Refreshments (tea, soft drinks, sweets, crisps, hot-dogs, hamburgers etc) will be on sale, the Brownies have kindly offered their services with a camp-fire soup kitchen. There will be a Knobbly Knees contest and an Ugly Faces contest- so come prepared. The club is asking for dressing-up clothes including pyjamas, nighties, skirts, jumpers, dresses and lots of hats. They also want old-tights, old shoes, white elephants and the loan of two inflatable paddling pools. Anyone kind enough to help should contact Olive Sweetman, MOLD 3681, who will be delighted to collect them. The proceeds from the afternoon's activities are kindly being donated to The Gwernymynydd Community Association.

Out of eleven children composer-pianist Katie Leslie won First prize in the Childrens Talent Contest. Joint Second prize was won by Janeen Jeffries and Jill Sweetman (Gymnastics) and Rhian Stone and Helen Sweetman (Action-Singing). The singing and dancing Roberts Sisters - Kay, Julie and Dawn, were third prize winners. The show was stage-managed by Steve McCormick and compered by Olive Sweetman. Mrs. Sheila Hartfree was the pianist.

The club's luck is still holding with regard to the various competitions that are at present being held. The netball team recently won the Mold Area competition bringing to four the number of plaques won by the club this season for various events. Two more competitions due in the near future are the Boys and Girls Five-a-Side football Matches.

STATE QUARRY TRIP. The provisional itinerary for this trip is that we would leave Here at about 9-30 am and arrive at Blaenau Festiniog at about noon. After a break for lunch we would then enter the Caverns. Travel by battery train into the mine to see the underground caverns. There is a Guide on hand to explain the history and geography of the mine. After viewing the mine the party will then re-embark on the coach which will then go to Portmadoc for the rest of the afternoon. Anyone so wishing can be dropped off at Tan-y-Bwlch Station and ride to Portmadoc on the Festiniog Railway. This journey takes about 40 minutes so there will still be plenty of time to see Portmadoc. We anticipate arriving back in Gwernymynydd at about 08-00 pm. The cost of this day out will be £1-00 for ~~adults~~ children and £1-25 for adults, which does not include the cost of the train fare. If sufficient people wish to go on the train then we would be able to offer a combined fare of £1-40 for children and £1-65 for adults.

P.T.O.

LATE NEWS.

Children whose dates of birth fall in the period 1/9/70-31/8/70 are eligible for admission to school in Sept. of this year. If you wish your child to be admitted to Gwernymynydd Infants School, would you please contact the Headmaster at the Junior School, or by phone (Mold3827) as soon as possible.

We have had no response to any of our requests for people with similar interests. However if anyone wants help with a hobby or a project we will be only to pleased to make known your wishes, in the newsletter.

If anyone living at the top end of the village is unable to get down to the Swan Carpark on a Monday to change their library books, Mrs. Margaret Eaton has kindly offered to do it. So if you cannot manage to get to the Library Lorry contact Mrs. Eaton and she will try to help.
