

YOUTH CLUB.

The members of the club have plunged into activity with two community projects in hand. These spare time projects are, helping to landscape a piece of waste land in New Street, Mold and helping with the Playgroup-cum-Village Hall. They are also busy fund raising for the Firework Display at their public Bonfire on the Village Field on November 5th. The sum of £12 has already been raised from a Jumble Sale on Oct. 4th. Leifer Olive Sweetman thanks all who gave so generously to the Jumble Sale. On Saturday the 'GUY' will be escorted around Gwernymynydd and Cadole with the help of a tractor and trailer. Please, Please spare a copper for the Guy! The Club hopes that you will all turn out for the bonfire, refreshments will be available. There will also be the usual 'Best Guy Competition', -- so come on kids!! start making your guys to bring along on the 5th. November. The bonfire will be built in the Half Term holiday and children of the village are invited to help. Now is the time to turf out any old furniture, carpets or mattresses.

The Club to Blackpool was on September 28th. and a good time was had by all. Special thanks to John Eagles who drove them.

GLYNDWR TIGERS.

The Tigers held a successful dance at the Deeside Leisure Centre on the 5th. September. Last Saturday, five of the Tigers with four lady supporters raised over £200 from a sponsored walk. They walked from the top of the HorseShoe Pass to the Owain Glyndwr Hotel, beating the previous record of 3hrs. 25mins. Proceeds are going to the Kidney Research Unit for Wales. Their next effort is a Bring and Buy Sale on October 21 st. at the Owain Glyndwr Hotel. The Tigers self-imposed task of raising funds for the Kidney Research Unit of Wales ends in April, meanwhile we are sure that the good wishes of our readers go to them.

P.T.A.

At a recent meeting of the Association, Miss M. Hayes was elected Secretary and Mr. S. Whitehead was elected Treasurer for the coming year. There was a discussion at the meeting of what the funds should be used for. If anyone has any ideas I am sure that the Officers of the PTA would be glad to hear from you.

PLAYGROUP.

The Committee have organised a Christmas Dance to take place on the 13th. December, a Saturday, at the Loggerheads Restaurant. Anyone who is interested in going should contact any member of the Playgroup Committee for tickets. The Playgroup are also having a Christmas Raffle this year with ten prizes. Tickets will shortly be on sale.

The Open Week-end at the building was quite successful. A lot of people came along to see what it was all about and left with some idea of what a tremendous task the ladies of the Playgroup had taken on and what they had already achieved. The work of money raising still goes on. The steering committee that has been formed to investigate the change in use of the Playgroup building is busy working to this end at the moment.

At a meeting of the Mold Rural Community Council at the beginning of this month Mr. W. Grove presented a very strong case for the financing of the completion of the building by the Council. This request has had to be deferred until such time as a properly constituted management committee is in being. I note, however, a report in the Chester Chronicle that the council are hoping to acquire some flag-stones for us, to be used as footpaths for the building.

PANTOMIME TRIP.

There are still no further details of this outing yet and we have only received one enquiry so far. If you are interested in going to see Peter Pan at the Liverpool Empire sometime in the New Year do please contact Peter Nunn. (MOLD 55743).
