

GWERNYMYNYDD COMMUNITY ASSOCIATION NEWSLETTER

Community Association

Over the past year some very successful occasions have been organized:- the trip to the Slate Quarries, the Christmas Social, a talk on Conservation and Country Parks, the visit of the Grass Roots Theatre Company's production of "The Golden Pathway Annual" to the School; coach trips to Theatr Clwyd to see them again in "Mold Murders" and "Lily in Little India", and in May many villagers enjoyed Gilbert & Sullivan's "Pirates of Penzance". Gwernymynydd and Cadole 'fans' of the Grass Roots Company will be delighted to know that they have agreed to come to the new Village Centre on the Infants School site in Gwernymynydd to perform a short review called "Orange Blossom & Valium" on Friday 25th June at 7.30p.m. to entertain us, and also to stay and have a chat and share light refreshments with us afterwards - tickets 25p - contact any member of the Committee or come along on the night (there is a service bus from Cadole at about 7p.m. and another back again from outside the Junior School at about 10p.m.)

Another very important function of the G.C.A. has been the continued production and distribution of this, your monthly Newsletter - if there is anyone in the village who would undertake the delivery of a few newsletters each month, or who would like any items of news to be added - please contact any member of the Committee.

We have been offered a video tape recording of the visit of the Queen and Prince Philip to Mold and the provisional date for the showing at the Village Centre is July 1st. More details later.

Gwernymynydd Village Centre

Much hard work has been put into the effort to get the Village Centre ready for use - the Playgroup are to open after the holiday; there is to be a Show Committee meeting there on the 2nd June; a Grand Sale for Show funds on the 10th June, and the Social on the 25th June there is still a lot to be done, however, generally clearing up, touching up and providing curtains, furniture, equipment etc. We are awaiting the promised cheque from Delyn to pay past and some future bills, but if anyone has any spare tea-towels, cleaning materials and equipment etc. please bring them along. At a recent Management Committee meeting it was decided to let the village and the village organizations use the Village Centre free of charge for a period of one year after it opens, on the understanding that everyone helps to raise funds on several occasions during the year.

... on several occasions during the year.

Community Council News

Open area in Heol y Wern: Delyn Council have been asked to move the concrete flower pots to their correct position, so that flowers can be planted.

Waste ground next door to the Police Station: efforts are being made to trace the owner of this very untidy open space - with the view to getting it cleared up or even taken over by the Clwyd Council.

Congratulations to Mr. Peters on becoming the new Chairman of the Community Council.

Mr. Elwyn Hughes, Community Councillor, points out that far too many accidents have occurred at the Tros y Wern Estate entrance. The Welsh Office must be pressed for some form of improvement or speed restriction. Get in touch with your M.P.
