## Gwernymynydd Village Centre

Much pleasure was expressed at the September meeting that the Village Centre is now proving such a successful Centre for village activities, and is obviously going to be a great asset and much used for social gatherings this coming winter; more working parties were arranged, and further steps for making the place even more comfortable were agreed to. Mrs. Langford, Miss E. Evans, Mrs. Atkins and the Brownies have all donated very useful items such as tea-towels, hand towels, cutlery etc. for use in the Village Centre - many thanks to them for their generosity

The Thursday Chess Club and the Saturday Whist Drive got off to a satisfactory start, and the regular ~~XXXXXX~~ evening Scottish Dancing\* sessions began on 17th September. The Playgroup and Brownies have regular sessions in the Centre now, the Senior Citizens are making plans to meet there on Thursday afternoons, many committee meetings take place and Mrs. Corlett (the Booking's Secretary Llan.319) has made out a most useful chart of bookings for the rest of this year and placed it on the wall in the entrance hall of the Centre.

Over 100 people are expected at the Grand Opening on 6th October. There is a possibility that the Grass Roots Company (who proved so popular last season) will be able to perform a play for us on Thursday October 28th.

It is good to know that we now have the facilities we all wanted and that people are beginning to enjoy supporting the activities and are making full use of the new centre of the village.

\*(Regular weekly Scottish Dancing sessions now on Tuesdays)

### Adult Education

Mr. Gerson Davies, the Adult and Community Officer (Mold 4801 Ext. 25) has been able to make arrangements for a new one year 'home based' course in 'O' level Sociology starting on September 23rd at 10.30 a.m. in an attempt to meet the requirements of the 'would-be students' of the village (in addition to the more usual courses based at the Bryn Coch Adult Centre). The cost will be £5 and the students will work at home with set book, instruction and advice sheets and tapes, with a monthly tutorial for advice, discussion, criticism on written work etc. etc.

school and the village wish her every success in her new position.

### Senior Citizens

The excursion to Beaumaris was thoroughly enjoyed in spite of the weather and the meal in Betws-y-Coed gave it a warm finish at least! The Open afternoon was very well attended and a lively discussion took place. The Senior Citizens are anxious to establish their own form of fund raising and their future programme certainly seems exciting. They will meet every Thursday afternoon from 2 p.m. and it is hoped that even more people will join this happy group.
