### GWERNYMYNYDD SHOW

This year's event on July 22nd was very successful, and once again the profits topped all previous years. Around £500 will be available for distribution to our local charities and all organisations are asked to make a note of the date of the next meeting of the Show committee - Wednesday 25th October, 7.30 p. m. Village Centre - and to send a representative along if a request for funds is to be made.

The committee is sincerely grateful for the very generous support given this year. A great deal of hard work was put into the event by organisations and individual helpers inside and outside of the village. Special thanks also to the kind donors of gifts of cash, goods and prizes, and to the customers who supported us so magnificently. Ken, Syd and Olive gratefully thank all the committee members and the many people who helped to prepare the field, put in a hard day's work and helped clear up the next day.

#### YOUTH CLUB

The club is open again after the August break and the first event of the season will be the annual trip to Blackpool. This is on Sunday 1st October.

We wish Dianne Biggin every success in her exciting new job which will take her to Russia for the next two years. Dianne is one of our longest serving members and has been a stalwart of the club management committee for the last two years. She was also one of our annual Award winners (for services to club and community). Good Luck to Di - and best wishes from us all.
