

GWERNYMYNYDD COMMUNITY ASSOCIATION

JANUARY NEWSLETTER

1984

COMMUNITY ASSOCIATION

The Community Association has been asked to remind residents that it is unsafe to cross the main road between the Swan Inn and the Junior School other than on the Pelican Crossing.

Apart from the obvious hazards - mothers of young children have pointed out that it is a bad example to set.

Please use the Crossing - even if it takes you just a little out of your way.

Welcome to our new Policeman and his bride of one year. They are P.C. Chris Jones and his wife Lesley.

P.C. Jones is no stranger to Clwyd as he was born in Prestatyn. For the past two years the couple have been living in Holyhead where P.C. Jones was stationed. He has five years service with the Police Force under his belt and is looking forward to a long and happy stay in our village.

If you have need of our 'bobby's' services his telephone number is MOLD 3993 and he says that he and his wife look forward to meeting everyone in time.

We for our part hope to make his life easier by promising to try and stay out of trouble.

Many thanks to all those who joined us on our Carol Singing Tour of the village. Thanks to you and to the generosity of all those who contributed, the sum of £25 was collected.

The Association has decided that the proceeds will be divided equally between the Fire Service Benevolent Fund and Wrexham Maelor Hospital.

Holiday - as mentioned in the last edition of the Newsletter the Association is anxious to hear from people who would be interested in going on a group holiday from the village. Just to remind you - the destination is Spain in early October this year and the cost is likely to be in the region of £130 - £150.

Unless there is sufficient interest then we will not be going ahead with the idea.

If you are interested in joining us or would like further details please contact one of the following people :-
