DECEMBER NEWSLETTER 1991

THE FUTURE OF THE NEWSLETTER - Regretably, after more than twelve years as Editor and Printer of this Newsletter I am resigning my position. I have not lived in the Village for eight years and have recently moved further afield to Holywell. This, coupled with increased work commitments all make it very difficult for me to find the time necessary each month to devote to the Newsletter. I am therefore appealing to somebody or some people to come forward and offer their services. I am more than willing to give any necessary training and advice to anyone interested.

As normal, there will be no Newsletter in January. By February it is my sincere hope that somebody will have come forward to take over the post. However, if no one has contacted me by this time I am sorry to say that the February's edition of the Newsletter will be the FINAL EDITION. It is regrettable that I have to take this action but it will be impossible for me to continue my duties after February. If you are able to help in any way please contact Graham Davies on MOLD 715997. REMEMBER - THE FUTURE OF THE NEWSLETTER IS IN YOUR HANDS!!!

NEWSLETTER DELIVERY - Last month an appeal was made for people to deliver Newsletters in three areas:- (1) Llys Enfys (2) Godre'r Coed & (3) Swan Lane & Ruthin Road. Unfortunately, no one has come forward to assist us and therefore I regret to say that this will be the last edition of the Newsletter that people living in these areas will receive. If you are able to help please contact Barbara Jones on FLINT 4949 after 6.00 p.m.

EISTEDDFOD BRO DELYN

An amount of over £3000 has been collected by the Gwernymynydd Fundraising Committee towards the 1991 Bro Delyn National Eisteddfod against a target figure of £1500. Because of this excellent achievement the Committee has decided to cease activities but would hope everybody will support any other fundraising activities in the Mold area. Thanks are given to each and every person who has worked and contributed to the excellent success achieved in Gwernymynydd, a success which is second to none in the area - Thank you very much.

GWERNYMYNYDD SENIOR CITIZENS - Many thanks for the kindness shown in giving items for our raffle, drawn at the Xmas Fayre. Mr. G. Humphreys won the Xmas Cake and Mrs Janet Frances won the hamper. Your support is greatly appreciated. - Lilian Roberts and Sheila Parry.

CADOLE VILLAGE SIGN(S) - AN APPEAL FOR PHOTOGRAPHIC EVIDENCE.

Gwernymynydd Community Council (GCC) have been pursuing residential demands for 'Cadole' village signposting to be displayed alongside arterial roads alerting through traffic to the existence of 'Cadole'. In so doing, Clwyd County Council have responded by stating an approximate cost of EACH of the THREE signs required to be within the region of £600. Furthermore, the charge for installation will be levied against the Community Council(s) concerned. Gwernymynydd C.C. would be responsible for the cost of TWO signs at the proposed 'Tyddyn Dows' - A494(T) and 'Cartrefle' (Gwernaffield Road) locations leaving Llanferres C.C. responsible for the sign at the A494(T) 'Boundary Stone' location. However, the installation cost(s) would be waived if PHOTOGRAPHIC EVIDENCE COULD BE PRODUCED TO PROVE THAT NAMEPLATES ONCE EXISTED IN EARLIER DAYS! For this reason we appeal to any reader who might be able to furnish the Community/County Authorities with a picture clearly showing the roadside name 'CADOLE' (or even 'CATHOLE'). Suitable photographic proof would then enable Clwyd C.C. to claim a refund from the Welsh Office for providing NEW nameplates and poles so please turn out your drawers folks and lets see what pops up!

Your nearest G.C.C. representative would be delighted to hear of any 'positive exposures' or, alternatively, you could present your 'proof pics' to Mrs Elsie Butler at the Colomendy Arms. Elsie has very kindly agreed to pass on the evidence to G.C.C. on your behalf. Everyone's assistance would be greatly appreciated in this search effort - Thank you all.

NOTE - The THIRD 'Boundary Stone' would be located within the bounds of Llanferres C.C. and it is suggested that Cadole residents living in the Llanferres constituency sector lobby their Community Councillor(s) for support in this matter.

CEFN MAWR QUARRY LIAISON COMMITTEE - To provide a speedier and more effective method of processing residents complaints over issues concerning Cefn Mawr Quarry/Limestone transportation, it was decided at a recent Community liaison meeting with Castle Cement management that the following 'Hotlines' be published so that anyone wishing to report an incident can do so with the minimum of delay by contacting AS SOON AS POSSIBLE:-
