GWERNYMYNYDD VILLAGE CENTRE

In May 1990 the old School was handed over as a Village Community Centre. Since then the Management Committee have arranged Fund Raising and Social Events. Some have been popular and others were not so well attended. The Committee would like to know what activities and events the residents of Gwernymynydd are interested in. We are therefore holding an open meeting in the Centre on Thursday 3rd March commencing at 8.00 pm. We would like you to come along and give us your ideas, suggestions and offers of assistance to enable us to use the Centre to its full potential. We believe now is the time for a Social Fund Raising Committee to be formed and hope you will accept our invitation and come along on the 3rd March.

RAINBOW GARDENING CLUB

Following the Committee meeting held on the 29th November 1993, arrangements for the coming year were agreed. There will be five meetings and we hope to have speakers at four of them. The dates are as follows:-

Monday 7th March
Monday 9th May
Monday 6th June
Monday 3rd October
Monday 7th November

With the A.G.M. on Monday 28th November

At the March meeting orders will be taken for garden supplies which are at almost wholesale prices and Mr Tanton will continue to allow us the use of his stores for members to collect their goods on Sunday mornings.

A raffle will be held at each of the meetings to add a little fun to the evening. All members and any wishing to join the club should make a note of the above dates which are sure to be most constructive and socially enjoyable evenings.

Bring your friends along to swell the numbers and join us. If you have any queries contact either:-

THANKS

Due to the generosity of Gwernymynydd Community Council we are able to produce this first newsletter of 1994. The old printing machine, which has nobly produced many thousands of copies of the newsletter over the years, but has been in failing health lately, finally expired as it finished the December issue. The Community Council answered our appeal for help by providing funds for a photocopier and so ensured the future of the newsletter.
