YOUTH CLUB

We are delighted to say that the new arrangement at Youth Club - juniors and seniors together - is working very well. There are approximately 30 regular members.

The County Council (who pay the Youth Club Leaders) require each Youth Club to have a management committee made up from leaders, local councillors, residents in the village and parents.

Unfortunately we are very short of people willing to sit on this committee, which meets three times each year. Without a management committee the Youth Club will have to close. We are desperate to keep the Club open - please help us.
