Houghton & Wyton Parish Council Questionnaire

Inside this edition of the Village Magazine is an article regarding Homes England who wish to develop part of the 'Gap' between Houghton Grange and St.Ives for additional housing.

Whilst some housing development is certainly allowable through the policies contained in our Neighbourhood and District Local Plan, so is protection of a substantial gap between village and town.

Please read the article and by answering the questions below give us feedback on how you would like the parish council to respond.
