New for 2024

As you can see from the list of classes the Committee has had a revamp and responded to feedback given after last years show. Whilst some classes have been rested for this year, others have been introduced. Here are a few helpful notes as a guide to the new classes, but please do get in touch using the email address on the front page if you have any queries.

The 'wild card' categories for photography will change theme every year, challenging photographers to interpret the theme as they see fit and capture the perfect shot.

For some of the baking categories a flavour of cake or scone has been specified. This will be rotated each year so bakers can try to get the best bake with different flavours.

To ensure we can display all the wonderful exhibits brought in, we've limited entries to two per person, per class. But you can still enter as many classes as you'd like.

The children's writing section has been broadened out to include the chance for older children to use their imagination and creative flair to write a short story or poem.

Finally, as a special class for 2024, we're asking children aged 5-16 to design a logo for the show to be used on posters and marketing for 2025. This class will be judged by the Kirkwhelpington & District Show directors.

Kirkwhelpington & District Show Ltd is not responsible for any loss or damage.

The Show Committee will appoint judges before the day of the Show. Their decision will be final in all cases, and may not be overruled by directors of the Company or members of the Show Committee. The judges may withhold one or more prizes in any class if exhibits are of inadequate number or quality.

HANDWRITING CLASSES

132. 5-6 YEARS

Another Day

Boys shout,
Girls giggle,
Pencils write,
Squiggle, squiggle
John Cunliffe

133. 7-9 YEARS

Doctor Bell

Doctor Bell fell down the well
And broke his collar-bone.
Doctors should attend the sick
And leave the well alone.

Eighteenth Century

134. 10-12 YEARS

The Witches from Macbeth

Double, double toil and trouble;
Fire burn and caldron bubble.
Fillet of a fenny snake,
In the caldron boil and bake;
Eye of newt and toe of frog,
Wool of bat and tongue of dog,
Adder's fork and blind-worm's sting,
Lizard's leg and howlet's wing,
For a charm of powerful trouble,
Like a hell-broth boil and bubble.

William Shakespeare

137. 13-16 YEARS

L'oiseau bleu

The lake lay blue below the hill.
O'er it, as I looked, there flew
Across the waters, cold and still,
A bird whose wings were palest blue.

The sky above was blue at last,
The sky beneath me blue in blue.
A moment, ere the bird had passed,
It caught his image as he flew.

Supporting the Show

The success of the show relies on everyone who supports it, from the committee volunteers who organise the day and ensure everything runs smoothly, to the exhibitors who give their time and skill to filling the tent with beautiful displays.

In previous years the Kirkwhelpington & District Show has been supported by a grant from the Ray Wind Funds CIC Local Initiatives Fund, established by energy company Vattenfall for the benefit of the communities hosting the Ray Windfarm.

Going forward the committee hope to be able to raise enough funds each year to rely less on this funding by hosting fundraising events such as the successful quiz run back in June which raised £700 towards the costs of this year's show.

If you would like to become a supporter of the show or join the committee, please speak to the Chairman, Treasurer or Secretary. We're incredibly grateful for any donations of time or money. See below for more ways you can contribute.

Raffle tickets

These will be on sale from mid-July and available on the day of the show, with a range of prizes kindly donated by local businesses and individuals including a fruit basket, gift vouchers, wine, chocolates and more. All monies raised support the running of the show.
