

The Latest Recipe from:

Drinking on Mars The Martian BOOK OF Drinks

AMBLING ANDROID

An Ambling Android is a large drink with attitude, the attitude being totally laid back. In fact after two of these, laid out flat may be the attitude in question.

Ingredients

- 60 ml gold rum
- 60 ml orange rum
- 30 ml white rum
- 120 ml orange liqueur
- 90 ml orange juice
- 1 splash pomorange syrup
- 1 splash limewater fizz
- Ice

Method

- Half-fill a large glass with ice
- Pour all ingredients into the glass
- Stir well, and garnish with orange slices and anything else you fancy

Note

You can find recipes for home-made pomorange syrup and limewater fizz in Section III of *Drinking on Mars*. Or you can splash out and buy commercially-available products.
