

Cyber Protection Unit

The Cyber Unit in the last 12 months have attended 150 events and reached over 3,000 people.

Their job is to explain cyber security and to support businesses.

They also provide victim support and investigative support.

The Unit take down fake sites, raise awareness and encourage recording and reporting scams and sites.

86% still goes unreported.

The Unit will be attending Launcells Parish Council meeting on 7th July to give a talk concerning this issue.
