

Ukulele Group

The group is a rockin' band of pensioners and the Parish Hall is great for acoustics.

The group perform in nursing homes, retirement homes, memory cafes, cancer cafes, charity events, garden parties and hospitals.

Many members joined to try out a new hobby. Most members are retired and the group enables them to still give something to the community. The group is supportive, there is a good atmosphere and it is uplifting.

The group have raised £10,000 for the Air Ambulance in the last year. They perform for no charge and everyone that gives money to them is donated to the Air Ambulance – as this is the charity they agreed upon.

The subs are £25 per person per annum and this is used to cover costs.
