

Report from Parish Hall Badminton Group

The Badminton Group meet regularly on a Wednesday evening.

There is a core group of members and throughout the year we have had others come to join in, our youngest being just nine years old.

We all greatly enjoy a chance for exercise and social interaction.

We continue to advertise in the parish magazine and by word of mouth for new people to join us.

Players of all abilities are most welcome, including absolute beginners.

There will always be a warm and friendly welcome for new members.

Sheila Waring
