FEBRUARY 2022

**Hello** and welcome to your February 2022 news letter for the NH29 beat!

We have had another busy month, with a large amount of RTC's on our beat. Please make sure you take care whilst on the roads, and accommodate the ever changing weather conditions.

Police and Crime Commissioner, Rupert Matthews, came over this month and spent a shift with PC Statt. They spent time visiting the hare-coursing hot spots and PC Statt showed our PCC what we do as a beat team to tackle this, including dedicated patrols.

We have lots of beat surgeries in March, please have a look and attend if you have any issues. These can be found in the 'Dates for the Diary' section of the newsletter. If there is not a beat surgery booked in locally to you, and you would like one, please get in touch.

We have speeding/traffic enforcement operations planned for this month, all over the beat. Our previous operations have been very successful, and we are hoping this month is the same! We know that this is an important issue to a lot of the people living in our area, and this is why we will continue to do these actions monthly. If there is anywhere you would like us to include in future speeding operations, get in touch.

## Work from the team #Yousaidwedid

**YOU SAID:** Anti-social Behaviour:

**WE DID:** We are pleased to say that there has been a reduction in some of our previously persistent ASB areas. We will continue the patrols in the day and the evening that we have been doing, and hope that this continues. Please let us know if there are any ASB issues locally to you, as if it is not reported to us, we cannot take action.

**YOU SAID:** Road Safety

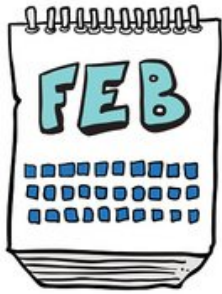

**WE DID:** This is a continued priority for our beat, with lots of rural country roads, we find road safety and specifically speeding, is a huge concern. We are carrying out speeding operations throughout the month, in collaboration with our road policing team.

**YOU SAID:** Rural crime

**WE DID:** We have still been working with our local land owners and encouraging people to recognise the signs. If something doesn't look right, it probably isn't, so please get in touch and let us know. We also now have a monthly meeting with our dedicated Rural Crime Team to share information. Joint working with other teams and police forces has helped to recover a stolen trailer this month.
