Market Bosworth & The Villages Newsletter

July 2019

It's been a wet and blustery month, but the sun is finally seeping through, so hopefully we can dust off the summer clothes and get some much needed BBQ weather. The beat team have had an eventful month and received - 373 calls, 58 of these being emergency calls. An array of incidents were reported, including – 17 reports of Anti-Social Behaviour, 14 Burglaries both residential and business, 8 reports of theft from a motor vehicle 3 of these as a result of the vehicle being left insecure and 2 of these being number plates stolen, and 79 incidents relating to our roads network.

News

NEW VEHICLE FOR THE BEAT TEAM

We were thrilled to welcome the newest member of our beat team this month. Our new Ford Ranger should be easily spotted whilst out on patrol, it comes complete with a subtle plug for you to follow our Facebook page. This vehicle will help us in reaching all parts of our community. If you see us out and about give us a wave.

Your Beat Team

Sgt James Cross

PC Phil Hale

PC Rob Cross

PCSO Allan Charles

Neighbourhood Link – Have you signed up?

We want to encourage as many people as possible to sign up to our community messaging system, Neighbourhood Link. You will receive regular emails keeping you up to date about local policing issues, good news stories, crime prevention advice, witness appeals and local events.

It is very easy to do and free! Register at www.neighbourhoodlink.co.uk

Community Consultation

YOU SAID, WE DID:

THORNTON - This month you have reported to us concerns of Anti-Social Behaviour at St Peters Drive in Thornton as a result we have been completing more regular patrols in the area, this has resulted in the recovery of a motor vehicle. This area will continue to be a focus of our patrols over the coming month.

NEWBOLD VERDON - You reported concerns over Anti-Social Behaviour and misuse of drugs around the Pavilion in Newbold Verdon. We continue to monitor this situation, patrols have been increased and anyone found committing offences will be dealt with robustly. The beat team will be available at the park for the upcoming event on Saturday 6th July for you to provide any information or raise any further concern.

RATBY - You reported issues with Lorry's breaching the weight restrictions in Ratby, contact has been made and work is ongoing with the company concerned, offending drivers and being challenged accordingly. We are also working with the local council to resolve this issue. We will continue to patrol in this area and take action when offences are seen.

MARKET BOSWORTH & TWYLCROSS – You reported concerns over parked cars and queuing traffic near to the water-park and Zoo. We continue to monitor this situation, we work closely with both management teams, however acknowledge that on nice sunny days particularly at weekends this is still likely to be an issue. Please keep this in mind and plan your journeys accordingly.

News

INPUT TO LOCAL YOUTH PROJECT

PCSO Charles spent some time this month with the Queen Bee youth project giving an input about knife crime. The group had the chance to ask Allan lots of questions and even got a chance to have a look around his police car. Hopefully with all that interest we may have a few future cops in the making!!

Community Engagement

GROBY CONCERNS

Following a number of concerns raised in the Groby area and talks of Vigilante action, we visited Groby Fete to be available to the community to raise their concerns and answer any questions they have. The Fete was well attended and we had the opportunity to say hello to many of you and even had the chance to catch up with Edward Agar MP. The general opinion of everyone we spoke to was that they were pleased with the work that their local police do and that whilst they were aware of recent crime in the area they didn't feel that this was a big issue. Sergeant Cross even managed to find someone bigger than him at the Fete, fortunately for us he was behaving.

Advice

DON'T GIVE THEM THE OPPORTUNITY

We continue to have a number of reports of theft from unattended motor vehicles. The majority of these reports, relate to cars that were left unlocked. Recently PCSO Charles completed some patrols in Groby and out of the 35 car door he tried 5 were unlocked. Remember LOCK IT OR LOSE IT, it's a simple message and can make the difference to whether you become a victim of crime.

With the summer approaching and the promise of some hot weather we also want to take this opportunity to remind you to make sure you don't leave your house windows open when you go out and to make sure you shut your downstairs windows at night. Again the open windows serve as a great opportunity for some of the more naughty members of our community to make some easy cash.
