

OUR BIG DIG

Our Castle of Kings 2019

In May-June 2019, we're running a community archaeological dig at Tarbert Castle. We'll explore the castle ruins and extend our knowledge of our heritage. You can back this project.

If you're a member of the Co-op, simply sign in at the Co-op website and select our cause. That way, 1% of what you spend on the Co-op's own products will automatically go to this project.

Of course, one-off personal donations to the project are also welcome.

The Castle is owned by the community.

Over the past 13 years, we have raised roughly £1 million.

Volunteers have contributed many hundreds of hours of their time in opening the site to community and visitors.

Thanks to those volunteers, which include families and young people, we have a maintenance program in place which is supported by the community and is part of the village "Community Action Plan".

The dig project will give everyone a chance to get involved.
