NEWS

Leicestershire County Council's Road Safety Strategy

The UK has some of the safest roads in the world. In Leicestershire we've been successfully delivering a wide range of road safety initiatives for decades.

Our Road Safety Strategy explains our approach to road safety and, for the first time, sets out our work in one document. Although this is not a new approach or policy, it is an opportunity for us to let our communities know what we do, how we do it and how our approach may need to evolve in the future to meet new challenges.

We have also set ambitious new casualty reduction targets, aiming for a 40% reduction in killed or seriously injured casualties by 2035 (medium term) and zero deaths caused by road traffic collisions by 2050 (long term).

A four-week consultation is open from Monday 25 March to Monday 22 April 2024. We want to hear your views on our approach to road safety and our ambitious casualty reduction targets. Your feedback will influence how our Strategy evolves going forward. The consultation can be accessed on our 'Have Your Say' webpage [here](#).

REMINDERS

- **Free and green travel for youngsters this Easter**

Children and young people across Leicestershire can take advantage of free bus travel this Easter.

Youngsters will be able to use the offer when boarding the bus from 9.30am to 11pm on Monday-Friday, and all day at weekends and bank holidays from Saturday 23 March to Sunday 7 April.

Under 16s just need to show proof of age – such as their student ID – when boarding buses throughout the county.

Some of the county's bus operators are also offering reduced travel fares to young people aged between 16-21.

The free child and youth bus fares initiative is being delivered on behalf of the Leicestershire Enhanced Bus Partnership which is a collaboration between the county council and the bus operators, funded by the Department of Transport's Bus Service Improvement Plan.
