What matters to you

#YOU SAID, WE DID

You said: Anti-social behaviour was a priority.

We are continuing to tackle those committing anti-social behaviour in key areas such as Groby, Ratby and Mark-field. Offenders have been highlighted and spoken to in recent weeks and multiple out of court disposals have been handed out in a bid to reduce this type of offending early. Residents are reminded that anti-social behaviour is treated very seriously and offender will be dealt with if they are found to be committing anti-social behaviour.

You said: Road safety continues to be an issue

Officers from the Market Bosworth Beat Team have visiting local primary schools this month to tackle reports of parents parking on zigzags, blocking pavement and driveways at school drop off. Words of advice was issued to those found to be doing the above and we will continue to patrol around the local school sat school pick up and drop off to take positive action against those that are not abiding by the law.

You said: Rural Crime is priority.

Members of the Market Bosworth beat team and the Rural crime team partnered up to attend the Rural Conference to provide a Q and A as well as a presentation to local councillors, residents and business owners across all villages to answer questions relating to Rural crime in the area and what we are doing to tackle may issues raised. A positive opportunity for community engagement.
