QUERIES ON PLAN

5/22/NP The Committee discussed various items concerning the Dadlington Neighbourhood Plan:

- Method on how the land was identified and selected for allocated development within the plan and if other suitable sites to be considered
- Potential conflicts of interest from group members and the omission in previous DNP group minutes to disclose pecuniary and / or non-pecuniary interests by group members
- Potential timescales and the current risk of development to the area of separation between Dadlington and Stoke Golding
- It was commented that the start date for applications to apply for a grant from Groundworks is April 1st.
- There are currently no budget figures for year 22/23 and no accounts for year 21/22.
- To arrange another meeting with Colin Wilkinson for clarification on points raised at the meeting

Meeting finished at 20:15.
