the
economy

Sustainable
places

Placemaking

Infrastructure

Needs
of an
ageing
population

Sustainable
transport
network

Consultation is open from:
29th January to 1st April 2021

Easy to read and make comments online at:
www.highland.gov.uk/imf

The Plan will help decide what development can happen in communities across the Inner Moray Firth area over the next 10-20 years.

We are asking you to help us shape the Plan and ensure our communities are sustainable and have good access to jobs and services.

We've just published the **Main Issues Report** which identifies the key challenges facing your area and sets out a range of options for dealing with them.

Tell us what you think!

Consultation
is open between:

29th January and 1st April 2021
