

Inner Moray Firth Local Development Plan is under review

**Tell us what
you think!**

Local
green
spaces

Climate
change

Affordable
housing

Supporting
the
economy

Sustainable
places

Sustainable
transport
network

Placemaking

Infrastructure

Needs
of an
ageing
population

The Plan will help decide what development can happen in communities across the Inner Moray Firth area over the next 10-20 years.

We are asking you to help us shape the Plan and ensure our communities are sustainable and have good access to jobs and services.

We've just published the **Main Issues Report** which identifies the key challenges facing your area and sets out a range of options for dealing with them.

Tell us what you think!

Easy to read and make comments online at:

www.highland.gov.uk/imf

Any queries please:

Email: **imfldp@highland.gov.uk**

Or phone: **01349 886608**

Consultation is open between:

29th January and 1st April 2021
