

Nairn West and Suburban Community Council

FAO Sara Murdoch,
Highland Council,
Headquarters, Glenurquhart Road,
Inverness
IV3 5NX

29th January 2021

Dear Ms Murdoch,

**CONSULTATION ON PROPOSAL TO SELL COMMON GOOD PROPERTY KNOWN AS
SANDOWN LANDS, SANDOWN ROAD, NAIRN**

I refer to the above consultation document dated November 2020 and now formally attach the response from this Community Council accompanied by ten supporting documents.

I note that the Consultation date has been extended to 26th February. My personal and my Community Councils original point still stands, that this is not the right time to be conducting such an important process when public meetings and such like are illegal under Covid regulations. We believe the Consultation should be shelved until a more normal life resumes and we can legally hold public meetings and have full transparency with the residents of Nairn.

It would be helpful if you could give guidance as to how the responses received can be viewed. Presumably like planning responses they will be available by an e portal for anyone to see and read.

Yours faithfully,

Sheena Baker
