The meeting acknowledged the appointment by Rushcliffe Borough Council of Coun. Andy Edyvean as a member to the parish council, such appointment to remain in force until November 30, 2019. His appointment had been necessary because of the inability of the council to provide the necessary three members to allow a meeting to proceed. Strong concerns were expressed by the meeting that the village lacked a community feeling and residents seemed hesitant to be part of any events if their help was needed in the organisation of them.  
Couns. Brooks and Belton were concerned at the current position and said it seemed there was a need for starter homes to be provided in order to attract younger people. The chairman said if land could be found to be available for a Rural Exception site such development might be possible, explaining such a site could be outside of the normal area felt to be acceptable for housing.  
The need to organise an event to mark the VE75 Day in May was agreed and the clerk was asked to prepare an item for the website and notice board seeking residents to come forward and volunteer to be involved. There would also be a request made for the village email scheme to circulate the message to all recipients. After discussion the meeting agreed to make a £500 donation towards the cost that had been incurred by the church for improvement works to the car park.
