Good afternoon Jean

Please accept our apologies for the delay in responding.

Gully cleaning is carried out as part of our routine maintenance however following your email the team arranged for the gullies in the area to be cleared to ensure no blockages were occurring.

Whilst we have managed to clear the majority we have identified an issue with one. It requires further investigation and we will be carrying out some excavation work for this to ensure the issue is resolved.

Many thanks for bring this to our attention.

Kind regards

**Subject:** Extensive felling and flooding at Blairvadach

Many members of our community have approached us with concerns about the extensive felling that has taken place at Blairvadach. Following this there has been flooding, the likes of which has not been experienced previously. Please find attached a letter outlining our concerns.
