

		On Line
1	Are there any services or amenities <u>in Rhu and Shandon</u> that you cannot access, or have difficulty in accessing because of transport problems ?	
	None	20
	At least one	6
2	If your answer to Q1 was "at least one", please specify below. If not, answer "NONE"	
	NONE	21
	Travelling to VoL	2
	316 bus can be late and miss the train to Glasgow, and also the timetable in the evening is poor	1
	No Post office and I don't drive so have difficulty getting to nearest one.	1
	Would like to walk to park and beach with young visitors, also use local shop. Experience shows route down hill has increased risk, especially with recent encounters with timber lorries. Base traffic week last Thursday was horrific during roadworks on main road. Station road was too dangerous to walk down with nose to tail traffic speeding down hill, meeting traffic coming up. Pedestrians pushing pushchairs have to walk on road at key points where pavement is too narrow to accommodate pushchair, especiall nif older child walking beside adult.	1
3	The following services or amenities <u>outwith Rhu and Shandon</u> are difficult to access by public transport. Check all that apply.	
	visiting patients at Vale of Leven Hospital	18
	attending appointments at Vale of Leven Hospital	19
	visiting patients at Royal Alexandra Hospital Paisley	23
	attending appointments at Royal Alexandra Hospital Paisley	24
	other amenities or services not listed above	9
4	Other key transport issues for Rhu and Shandon residents, not described in Q3. Insert "NONE" if you think that Q3 contained all relevant issues.	
	NONE	19
	Post Office	1
	QEUH Westmarc	1
	Any Regional Hospital, Glasgow Airport, Theatres in Glasgow at night, buses are too infrequent	1
	Other hospitals and clinics, Glasgow Ambulaory Care Hospital G3 8SJ	1
	Further hospitals	1
	Any Regional Hospital	1
	Ferry to Gourock	1

5	Please identify the key transport issues for Rhu and Shandon residents. Please check all that you think apply.	
	Unreliable train services from Helensburgh Central	20
	Trains from Helensburgh Central often skip stations	16
	Buses only every hour until 8am	13
	Buses only every hour after 6pm	15
	Other issues not listed above; in this case please explain in the next question	6
6	Other key transport issues for Rhu and Shandon residents, not described in Q5. Insert "NONE" if you think that Q5 contained all relevant issues.	
	NONE	20
	Getting to Paisley	1
	Infrequent service on Helensburgh Upper Line	1
	Access to the airport using public transport is tortuous, and not possible early in the morning, say for a flight before 0830.	1
	Wheelchair users access to buses is not uniform	1
	Park and Ride facility at Helensburgh Station has poor security measures with gangs of youths frequently roaming about the car park. CCTV should be installed as a bare minimum.	1
	Buses and train timetables don't always join up Occasionally bus leaves before trains arrive	1
7	Please identify any key opportunities in Rhu and Shandon to improve Travel and Transport	
	Train Service on West Coast Main Line from North gate to Craigendoren; includes a Pop-up station at North Gate	12
	Train Service on West Coast Main Line from North gate to Craigendoren; includes a Pop-up station in Upper Rhu	9
	Neither of the above	2
	Other, please specify in the next question	7
	I cannot think of any opportunities in Rhu and Shandon	7
8	Please specify any other key opportunities to improve travel and transport for Rhu and Shandon Residents, not listed in Q7. If you think there are no further key opportunities, answer "NONE"	
	I do not understand Q7 - where is "North gate" and what is a "pop-up" station?	1
	Bus service to and from Glasgow Airport..	1
	More frequent bus travel	1
	Should pop-up stations in Rhu and at North Gate become a reality Craigendoran & Rhu would need proper park and ride parking facilities with CCTV coverage for security.	1
	More parking spaces within easy reach of Helensburgh station.	1

Summary of Transport Survey Total Returns: 26 = 0n line 0- Paper

	A small pier enabling ferries to commute between Greenock, Kilcreggan, Dunoon, Helensburgh & Glasgow.													1
	Bus up to Lineside. Lots of older people have to rely on taxis to get into town because of walking up and down hill													2
	An express bus service from Coulport into Glasgow would help, not taking 2+ hours. A roll on roll off ferry car ferry from Helensburgh pier to Gourock.													1
	Anything that cuts down the road traffic to and from the base													1
9	Enter any other comments you have around transport or travel; If have no comments, enter "NONE".													
	NONE													
	Unless the frequency of the trains on the West Coast line is improved, opening more stations will not improve transport facilities for the residents													1
	Train service from Helensburgh central is totally unreliable													1
	GETTING TO ROYAL ALEXANDRA PAISLEY IS DIABOLICAL													1
	Upgrade pavements to be suitable for wheelchairs													1
	Serious concerns about safe walking route from home down Station Road and Pier Road to bus stop on main road. White painted lines separate pedestrians from traffic in 30mph speed limit. Vehicles often cross lines and drive on pedestrian paths. Sight lines are not clear. Pedestrians often seen scrambling up grassy slope or pressed in against stone wall. Issue with speeding vehicles. This does not encourage residents to access public transport.													1
	Shocked at increase in bus from rhu to Helensburgh. £1.65 to £1.95 is quite a hike More parking facilities													1
	A bridge from Kilcreggan to Gourock.													1
	Council money spent on creating a dipped pavement to a raised pavement on the other side of the lane that is never used													1
