Treasurer's Report:

The treasurer stated that he was happy to continue in post until the end of the financial year and will then need to be replaced. The account is in credit by £987.76 at present with £100 in liability for hall rental. There is a council grant of £400 which may be applied for when the accounts are presented to the council at the end of the financial year. The fund is to pay for secretarial expenses and to be used for causes as agreed by the community council. Expenses have been minimal in the past year and donations have been made to the School Eco Scheme and Junior Warden Scheme.

The date for the next AGM will be identified later in the year.

There being no other business for the AGM the meeting was closed at 1948.
