

**Scottish
Water**

Trusted to serve Scotland

How our work will affect you

- Your water supply and drainage services from your kitchen and bathroom should not be affected by our work.
- Some of the work will be carried out in the road. For us to work safely we require to have temporary traffic lights on the Gareloch Road. Please follow all traffic signs put in place.
- The traffic lights will be under manual control at peak traffic flow times to reduce the impact of the peak MoD traffic.
- Some bus stops in the proposed work areas will be required to be temporarily suspended and relocated. Notification signs will be put up in advance at any affected bus stops.
- There will be general construction noise in the area throughout the work. We will endeavour to keep this to minimum.
- Works will take place Monday – Friday (traffic management will remain in place out with working times).
