Dear Sirs,

**The Aberdeenshire Council (Kincardine & Mearns) (Speed Limits Revocation) Order 2025 and The Aberdeenshire Council (Kincardine & Mearns) (Speed limits) Order 2025**

In accordance with The Local Authorities' Traffic Orders (Procedure) (Scotland) Regulations 1999, Aberdeenshire Council are required to consult relevant organisations prior to making the above order.

The Aberdeenshire Council (Kincardine & Mearns) (Speed Limits Revocation) Order would revoke the existing speed limits within the Kincardine & Mearns area of Aberdeenshire Council.

This would then be replaced by the Aberdeenshire Council (Kincardine & Mearns) (Speed Limits) Order which would include the proposed mandatory 20mph speed limits which are being introduced as part of the Scottish Governments National Strategy for 20mph, with the aim that "all appropriate roads in built up areas will have a safer speed of 20mph by 2025."

Appendix 1 – attached - lists all the existing speed limit orders that are to be revoked

Appendix 2 - attached - includes plans indicating the proposed new 20mph, 30mph, 40mph and 50mph speed limits, the proposed 40mph and 50mph limits are identical to those currently in place however a large number of roads which presently are restricted to 30mph are now proposed to have new reduced limits of 20mph

Should you wish to make any comments please return these no later than the 25<sup>th</sup> of April 2025.

Yours faithfully
