Chairman's Report 2019/2020/2021

This has been a strange and difficult term so far due to the Covid pandemic. Meetings have been difficult to arrange and attend and the Council has probably lost momentum because of this.

These recent times have obviously been made so much more difficult to accept with the losses of Mike and Syd. Not only as founding members of the current Council but as valued friends.

That aside, since the last AGM in 2019, we have managed a repair and refurb on the turbine and improved the playground with the addition of the fort. The Village Hall area in general is well kept and thanks go to Cllr Payne and Cllr Sizer for keeping this so. I would like to give an annual thanks to Brian Meadley who is always willing to lend machinery etc for the various jobs we undertake. He does this and never wants anything in return.

I want to thank all Councillors for enduring the period we have just gone through and for the various tasks that have been carried out behind the scenes.

It is encouraging we have some new blood on the Council. My feeling is, I think we now do have a good mix of talents on board whether this is a hands-on manual role or being able to converse with the various authorities at a high level. Our talents are all equally important.
