Current Consultations

The Vale of Glamorgan Council current consultations section includes the work of the Council as well as other public organisations that operate in the Vale.

Integrated Sustainability Appraisal Draft Scoping Report Consultation

The Integrated Sustainability Appraisal (ISA) is being completed in order to consider and communicate the likely effects of the emerging Replacement Local Development Plan (RLDP), and suggest alternatives. It focuses on key sustainability issues and fulfils a number of legislative requirements. Preparation of the Draft ISA Scoping Report is the first stage of the ISA process.

Review of statues, monuments, street and building names and suggestions for future recognition and commemoration.

The Council is proactively reviewing all statues and commemorations in the Vale of Glamorgan. This work will ensure statues and commemorations on public land, as well as the names of streets and buildings are representative of local people's values and those of a modern, inclusive Council. If you have seen a commemoration that you think should be reviewed to ensure it is appropriate, please complete our online form. Please ensure you include the location and reason for review.
