

Cromarty (♥) Care Project

Cromarty Care Project are currently fundraising for trikes for Cromarty. The trikes can be used to take elderly people out for cycles around Cromarty and feel the wind in their hair once more. This is an exciting project for Cromarty.

In anticipation of reaching our fundraising target, Cycling Without Age Scotland are visiting to the Fourways Club to demonstrate use of the trikes.

Thursday 15th November at 2-4pm

Victoria Hall

We will also need pilots to cycle the trikes. Please come along to the demonstration if you are interested in becoming a pilot once we obtain our trikes.

Please let us know if you are attending.

Shirley Matheson 600451 or Anne Short 600343 by Tuesday 13th.
