

TRAFFIC MANAGEMENT CONSULTATION 2019

CROMARTY AND DISTRICT COMMUNITY COUNCIL

AIMS

- Work with Highland Council and local residents to reduce traffic issues
- Consult on proposals
- Work with HC to put actions into place as agreed with community

OBJECTIVES AS DISCUSSED WITH HIGHLAND COUNCIL

- Reduce building strikes by vehicles on Bank Street
- Reduce vehicle speeds on A832 Denny Road especially going down the hill
- Improve sightlines at key junctions on High Street
- Prevent large vehicles using The Paye
- Reduce congestion on Church Street

— — —

- Improve the turning manoeuvres at Marine Terrace – Bank Street junction
- Restrict parking on High Street – Denny Road corner
- Improved tourist signage

PROPOSALS

Put forward by Highland Council and for discussion. We can adopt none, some, all of these proposals.

1. Junction of Marine Terrace and Bank Street

Proposal:

- Mark the road as a proper junction with appropriate road markings
- Shevron an area outside the public bar door of the Royal Hotel
- Make it clear who has right of way

2. Junction of High Street and Bank Street

Proposal:

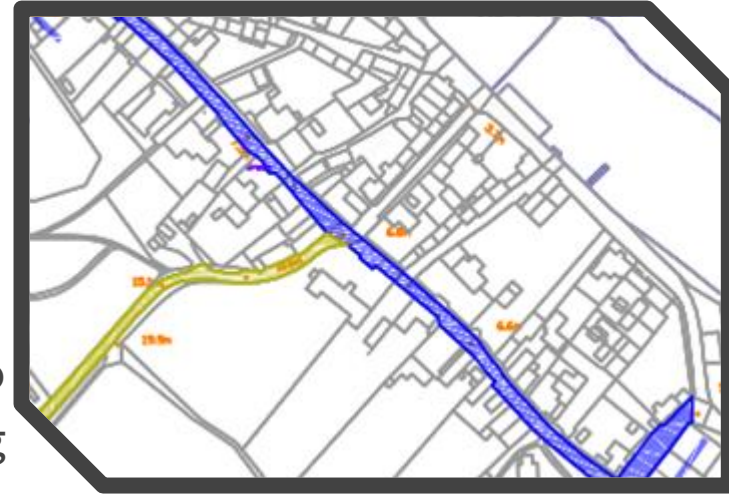

- No parking on narrowest section of Bank Street at the High Street end
- Signage indicating that the area is not suitable for large vehicles
- Option of one-way if above measures don't alleviate the issues

3. Church Street

Proposal:

- One way system for Church Street to reduce the issue of traffic meeting head-on
- Restricted parking at junction with Forsyth Place
- Signage to indicate that Church Street is not appropriate for large vehicles

4. THE PAYE

Proposal:

- Unsuitable for large vehicles
signage at both ends of the Paye
to discourage lorries, vans etc
from using it

5. DENNY ROAD

Proposal:

- Introduce ‘Priority for uphill traffic’ system at the bottom of the Denny (gate to Stroopie)
- Similar set-up to the entrance to Munloch
- Further option to reduce parking at the junction at the very bottom of the Denny
