

Good places to take photos around Oban

Suggested locations for good photo opportunities. Here are a few for you. Grid Refs given for some is best viewpoint rather than location itself.

McCaigs Tower above Oban Bay – can drive up from town and car park available . Also good for early /late shots	NM 861 301
Corran Esplanade, Oban – Black Guillimots that arrive every year and nest in drain holes in sea wall. Very photogenic wee birds.	NM 855305
Ganavan Road, Oban – otters on shore below road – be patient !!!	NM 852312
Corran Esplanade, Oban – if calm night with water flat calm you get good reflections of lights.	NM855305
Pulpit Hill Oban – high point to south of Oban Bay – wide view of the bay with Calmac boats. Good for night shots too	NM 853295
Castle Stalker Appin – north of Oban – most photographed castle in Scotland – any time in day - good cafe on hill nearby!!	NM9264476
Atlantic Bridge south of Oban – quite unique	NM785196
Connel Bridge east of Oban - large iron brdge and if you check the tides when Loch Etive is on the ebb – great shots of kayakers in rapids below . Gluepot restaurant nearby good for eats.	NM 910343
Loch Awe – Kilchurn Castle - very photogenic – grid reflections is opposite side of loch for best view.	NM137273
Glencoe, north Argyll – look for the lochan – in right conditions very scenic. Great eating place in Glencoe – the craft shop!!!	NN 104594
