

THE MISSION HALL TRUST

Corsenside Parish Council

9th May 2015

We are pleased to report on last year's activities as follows:

Our activities are always driven by the number of requests received from within the parish and controlled by the amount of income we receive in a year. Interest rates over the last few years have remained pretty poor, which again has resulted in low annual income.

We have had three requests for assistance this year from university students within the parish and one from Woodburn First School, all of whom received small grants.

Hopefully the money goes towards books and course material and not booze! The school used their money towards maths resources. It is always tempting to give them larger awards out of capital, but then that would mean less income would be generated in following years.
