Supper.

The hall has been used 48 times since the last AGM including two elections, parties for adults and for children, successful and well-attended fundraising concerts and other events. Table and chair hire continues to be an asset to the local community and a useful source of income.

There is clearly still a need for the Parish Hall as a community venue. If the trustees can organize two or three good fundraising events, once again the hall can not only pay its own way, but be used to raise thousands of pounds for other charities, as it has so often in the past.

To do this though, they will need engagement and support from throughout the community. If this is forthcoming perhaps we can look forward to many more good nights, happy afternoons, and
