

## **The Ridsdale Village Hall Fund**

Over the past two years, due to COVID the activities of The Ridsdale Village Hall Fund has been quiet.

As everyone is probably aware The Gun was purchased by the community in early 2020 this led to a request from The Ridsdale Community Group for a grant to help towards the cost of the refurbishment.

The Ridsdale Village Hall Fund committee decided that the community buy out of The Gun was the perfect opportunity to help towards creating a long term community benefit for everyone to enjoy, and therefore, all remaining money within the Fund was donated to The Gun At Ridsdale Community Pub & Hub.

The future of The Ridsdale Village Hall Fund has not yet been decided, although currently, it is no longer able to donate money.
